Report on Review of Interim Financial Information

The Board of Directors,
PATEL KNR Infrastructures Limited,
Mumbai.

We have reviewed the accompanying statement of unaudited financial results of **PATEL KNR Infrastructures Limited** for the Quarter ended **September 30, 2025**. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors/ Committee of Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the statements in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Our conclusion is not modified in respect of this matter.

^ Annualized

The ratio has been calculated as per IGAAP. The company has incurred the actual major maintenance expenses during this Financial year, hence the DSCR is below 1.11. The average of last 4 years DSCR is 1.30 times. Major maintenance expenditure incurred during the year has been met from the reserve funds created in previous years and not from cash accruals of this year alone. DSCR without considering the actual Major maintenance expenditure incurred during the year is 1.62 times.
